

## Notice to potential applicants to Hiroshima University

Hiroshima University will establish a new graduate school, Graduate School of Innovation and Practice for Smart Society, in April 2023.

The Master of Philosophy degree can be obtained at the new graduate school.

The certificate in the mentioned research area will be awarded along with the degree.

JDS applicants to Hiroshima University, Graduate School of Humanities and Social Sciences, and the Graduate School of International Economic Development Program will be decided by the faculty after confirming the applicants' expected graduate school and degree at the technical interview in February 2023.
